

Parkplatz u. Sammelplatz I

An aerial photograph of a residential neighborhood. A green line highlights a path or road that runs diagonally from the top left towards the bottom right. The path starts near a wooded area on the left and passes through a cluster of houses. Two red dots are placed on the path: one in the upper middle section and another further down on the right side. The houses have orange-tiled roofs and are surrounded by green lawns and trees. The overall scene is a typical suburban residential area.
